

1. GENERAL PROVISIONS

- 1.1. Fees and rates specified in this document (hereinafter "Fees and Rates") shall be charged in Armenian drams (AMD) upfront, except for those subject to monthly payment. Fees and Rates to be paid on monthly basis shall be charged within 5 business days following the calendar month. Commissions for the first and last months of servicing (maintenance of register) shall be charged pro rata the actual number of days serviced in that particular month, except where the Register Maintenance Agreement is renewed due to change of Account Operator, in which case the standard fee for the current month is charged pursuant to the Tariffs, including the Central Depository's tariffs for the given full month.
- 1.2. The fee for maintenance of securities on account holder's (including nominee holder's) account is not applicable to government and community-owned securities, as well as securities owned by CBA. If the nominee holds securities owned by the specified entities, he shall by the Bank's mediation give notice on outstanding balances of such securities to Central Depository through CBANet before the end of the first business day following the reporting month.
- 1.3. On the day of execution of the Register Maintenance Agreement the issuers who don't hold accounts with the bank shall ensure on the special accounts the amount equal to the sum of the fee for the actual number of days serviced during the given month as prescribed under the effective rates.
- 1.4. On the day of execution of the Securities Custody Agreement the holders of securities accounts, who are not bank account holders, shall ensure on the special accounts the amount equal to the sum of the fee for the given month as prescribed under the effective rates.
- 1.5. If the payable amount is calculated as percentage of the key indicator of the service, and the value of such indicator is expressed in foreign currency, the value shall be subject to recalculation according to FX rate defined by the Central Bank of Armenia as of that date, with the fee expressed as percentage calculated based on such recalculation.
- 1.6. Any commissions herein contained which are subject to VAT shall include VAT, except underwriting of transactions involving foreign securities through foreign custodians, where VAT is not included and is chargeable pursuant to the legislation of the Republic of Armenia.
- 1.7. If the Fees and Rates are not paid when due they shall be charged to the client's account with the Bank without prior notice. Should there be no sufficient funds available on AMD account, the Bank shall be entitled to withdraw the payable amount, whether in full or in part, from client's accounts in foreign currency in which case the amounts shall be exchanged at the "Buy" rate prevailing at the Bank as of that date.

- 1.8. In the event the issuer for 3 months in a row fails to pay the specified amount when due, or pays it partially, the Bank shall apply to the defaulting party a fine in the amount of 5,000 AMD for each month of delay starting from the 4th month.
- 1.9. The Bank is entitled to *suspend* provision of services through the Bank's intermediary to issuers and account holders who signed a Register Maintenance Agreement or Custody/Sub-Custody Service Agreement, if such issuers and account holders have *over three months' overdue liabilities (commissions)* to the Bank. The Central Depositary and/or the Bank may *resume* provision of services to the issuer and the account holder as well as re-execute the Register Maintenance Agreement with issuers who have not re-executed the Agreement yet, in the following cases:
 - 1.9.1. upon full payment of the commission for re-execution of the Register Maintenance Agreement, calculated as per the below formula 1 (C₁), to the Central Depositary directly or through the Bank's intermediary, if the Register Maintenance Agreement has not been re-executed yet;
 - 1.9.2. upon full payment of the commission for re-execution of the Register Maintenance Agreement, calculated as per the below formula 2 (C₂), to the Bank, if the Register Maintenance Agreement has been re-executed by the Bank;
 - 1.9.3. upon full payment of the commission for re-execution of the Register Maintenance Agreement, calculated as per formula 3 herein (C₃), to the Bank, provided that the Custody Service Agreement has been re-executed by the Bank.
 - 1.9.4. If the amount specified in the above clauses 1.9.1-1.9.3 is paid partially, first the overdue liabilities (OL) and then agreement renewal fee (CRA) is due.

Formula 1

 $C_1 = OL + CRA$, where

OL is the full amount of overdue liabilities as of the suspension date (principal + fine for each day of default)

CRA is the commission for renewal of the agreement equal to BR*D/365

BR is the Base Rate equal to AMD 150,000 (one hundred and fifty thousand)

D is the number of days during which the agreement was suspended

Formula 2

 $C_2 = OL + CRA$, where

OL is the full amount of overdue liabilities as of the suspension date (principal + fine for each day of default)

CRA is the commission for renewal of the agreement equal to BR*D/365

BR is the Base Rate equal to AMD 200,000 (two hundred thousand)

D is the number of days during which the agreement was suspended

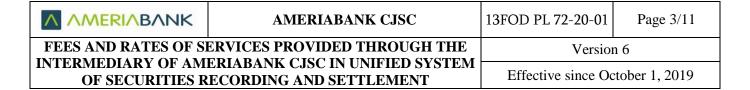

Formula 3

 $C_3 = OL + CRA$, where

OL is the full amount of overdue liabilities as of the suspension date (principal + fine for each day of default) CRA is the commission for renewal of the agreement equal to BR*D/365

BR is the Base Rate equal to 0.009% of total nominal value of the securities available on the account as of the renewal date

D is the number of days during which the agreement was suspended

- 1.10. In the event of *termination* of the Agreement by the issuer or the account holder during the period of suspension as per clause 1.9 herein in cases envisaged by applicable Law:
 - 1.10.1. Issuer shall, before the termination date, pay to the Bank the amount calculated as per formula 2 and fulfill the outstanding liabilities to the Bank, if the Register Maintenance Agreement has been reexecuted;
 - 1.10.2. Account holder shall, before the termination date, pay to the Bank the amount calculated as per formula 3 and fulfill the outstanding liabilities to the Bank, if the Custody Service Agreement has been re-executed.
- 1.11. In case of submission of new (edited) orders within the same business day for performance of the services specified in clauses 29 and 30 herein, in the cases defined pursuant to the approved rules of the Central Depository and the Bank, no additional fee is charged. If during that business day no record on "Delivery vs. Payment" (DVP) transfer of securities is made in the system, 50% of the commission paid is refunded until the end of the 5th business day following the defined date of transfer of securities pursuant to the DVP principle.
- 1.12. Issuers using the services of Central Depositary may learn about their outstanding liabilities to the Central Depositary from the official website of the Central Depositary.
- 1.13. The Bank may apply special Fees and Rates to a particular client, defined by other documents and/or supplementary agreements and covenants, based on long-term cooperation with the given client, volume of the client's transactions and other substantial reasons.
- 1.14. The Bank may change or amend the current Fees and Rates by notifying the clients about such changes/addenda through posting respective notices within the Bank premises or on the Bank's website. Such changes and addenda shall become effective on the date specified by the Bank, but not earlier than clients' notification date.

1.15. Amount payable by the client includes the Central Depositary Fees and Rates and the Bank's commission

⁴Except for recording of securities allocated on regulated market, as well as additional issues of securities allocated to ensure conversion for reorganization purposes, in which case the recording fee for each issue is recalculated at the end of allocation process on total par value bases.

⁵Including conversion of securities, such as change of the nominal value of shares, consolidation of securities, split of securities, conversion of one class (type) of securities into another by the decision of the issuer, conversion of securities through reorganization, except where the quantity and par value remain unchanged, acquisition, buyout, redemption or cancellation of securities (except for bonds) issued by that issuer. In case of change the fee is calculated based on the par value of securities registered after conversion, except conversion during reorganization through split or demerger, in which case the fee is calculated based on the par value of the shares to be converted.

⁶ Where the list of registered holders/nominees of securities (stock) is provided for submission to any business unit within Bank, the information is provided by the bank free of charge.

⁷ Fee payable also if the Central Depository provides supporting documents or reference on absence of operations.

Ensu	ring participation in distant session	s/meetings		
57.	Getting notices	Per meeting	Fee of the Central Depository + 25%	Fee of the Central Depository + 25%

¹³ Central Depository fees are denominated in EUR since respective services are rendered through foreign custodians. Fees are payable at the AMD/EUR exchange rate defined by CBA as of the transaction date. The Central Depository fees are defined as the fee (taxes included) presented by the foreign custodian + 25% premium. The fees for services rendered through foreign custodians and all respective changes at least one month prior to effective date are published on the official web page of the Central Depository.

¹⁴ The fee for maintenance of securities on CBA securities account as a result of repo/reverse repo transaction with CBA is payable by the transferring party.
