Reissuance of a Secure Code Card	In case of card loss, damage, or its disclosure to third parties	AMD 2,000

- *Commissions other than for Armenian market and EUREX trades include partner, exchange and regulatory fees.*
- *Trade value here means the sale/purchase price multiplied by the quantity.*
- *In case of margin call by the trade systems, the commissions are charged in accordance with the fees of Ameriabank's partners.*
- *Amounts are rounded to two decimal places in the transaction currency.*
- *Transactions with financial instruments not defined in the table are subject to a commission fee amounting to the double fee of the broker's agent for that transaction. The amount of fee for every transaction is negotiated with the client by phone or e-mail beforehand. Upon the client's request, the broker provides necessary information about the partner's commission fees. Any other expense of Ameriabank with regard to such transactions shall be reimbursed by the client in full. All such expenses shall be properly explained to the client (by phone or e-mail) by the broker within one business day upon execution of transaction.*
- *If both the transaction and the fee are in the base currency, the amount shall be exchanged at the CBA exchange rate and charged accordingly.*
- *If the transaction is neither in the base currency nor in Russian Rubles, the amount will be exchanged into USD at international exchange rates and then charged at the CBA exchange rate.*
- *Account statements are provided in accordance with Ameriabank CJSC tariffs for individuals and corporate clients.*

ATTENTION! *The RISK of investing in securities in case of transactions executed in accordance with the conditions specified in the order is BORNE BY THE CONSUMER. The financial institution SHALL NOT REIMBURSE any losses or damages that the consumer may incur unless such losses and damages arise as a result of the negligent conduct of the financial institution*
