**BM** means the rate calculated by the combination of internationally recognized interest rates (such as LIBOR, Fed Funds, etc.) and the dynamic interbank exchange rates on money markets at that date. **Applicable only to operations through Ameria Global Trading** 

- Amounts are rounded to two decimal places in the transaction currency.
- Transactions with financial instruments not defined in the table are subject to a commission fee amounting to the double fee of the broker's agent for that transaction. The amount of fee for every transaction is negotiated with the client by phone or e-mail beforehand. Upon the client's request, the broker provides necessary information about the partner's commission fees. Any other expense of Ameriabank with regard to such transactions shall be reimbursed by the client in full. All such expenses shall be properly explained to the client (by phone or e-mail) by the broker within one business day upon execution of transaction.
- Account statements are provided in accordance with Ameriabank CJSC tariffs for individuals and corporate clients.
- ATTENTION! The RISK of investing in securities in case of transactions executed in accordance with the conditions specified in the order is BORNE BY THE CONSUMER. The financial institution SHALL NOT REIMBURSE any losses or damages that the consumer may incur unless such losses and damages arise as a result of the negligent conduct of the financial institution.
