6.	Any transaction involving markets and stock not specified herein is subject to the fees defined in Table 1.		

- The calculated amounts are rounded to two decimal places in the transaction currency.
- Amounts specified in points 1, 2, 3 of Table 11 do not include commission fees of the broker's partners and stock exchanges (exchange fees).
- Transactions with financial instruments not defined in the table are subject to a commission fee amounting to a double fee of the broker's agent. The fee is transaction-based. In such cases, the amount of the fee for every transaction is negotiated with the client by phone or e-mail beforehand. Upon the client's request, the broker provides necessary information about the partner's commission fees. Any other expense of Ameriabank with regard to such transactions shall be reimbursed by the client in full. These expenses shall also be explained to the client (by phone or e-mail) by the broker within one business day upon execution of the transaction.
- In case of participation in the Republic of Armenia Government bonds auction arranged by the Armenian Ministry of Finance, apart from the applicable fees, an additional fee of 0.02% will be charged.
