## 1. Depending on the creditworthiness of the borrower, term of loan and LTV ratio, a higher or lower interest rate can be applied.

**Geodetic measurement is required for any land other than fenced plots or grounds attached to house, if:

- Client has applied for a loan above AMD 50 million, and
- Share of credit limit to be secured by such land plot exceeds $30 \%$ of total available credit limit. For the purposes of this document total available credit limit means the sum of all oan proceeds made available to client by decision of the bank's authorized body within acceptable LTV ratio and subject to disbursement at the given moment.
***The annual percentage rate (APR) may differ from the above specified values if there is any or a few of the following factors:
- When the property insurance is obtained by the Bank at the customer's request
- When the borrower selects differentiated or mixed form of loan repayment
- If there are deviations from the creditworthiness criteria approved under the internal regulations of the Bank
- If additional property is pledged as collateral
- If there are other deviations
